

Pranav S Sankpal

3rd year B.Tech, Computer Science & Engineering
Government College of Engineering, Kolhapur

Phone : +91 – 8010478580
Email : sankpalpranav022@gmail.com
Address : Kolhapur, Maharashtra, India – 416012

Education

2023-27	Government College of Engineering, Kolhapur Bachelor of Technology, Computer Science & Engineering	
2023	12 th (Senior Secondary Examination) Maharashtra State Board	70%
2021	10 th (Secondary Examination) Maharashtra State Board	84.2%

Internships & Trainings

May'26	Data Science Bootcamp (Ongoing) • Learning Machine Learning, Data Analytics, Statistics, and Predictive Modeling. • Working with Python, Pandas, NumPy, Scikit-learn, and TensorFlow.
Nov'25	Web Development Bootcamp • Built frontend projects and practiced UI development concepts. • Learned responsive web development using HTML, CSS, and JavaScript.
Oct'25	Oracle Certified Foundations Associate • Learned foundational concepts of AI agents, automation workflows, and intelligent systems. • Explored AI-driven problem-solving and agent-based applications.

Academic Projects

Mar-May'26	Stock Price Prediction System using Machine Learning (B.Tech Project, 6 th Semester) • Developed a stock price prediction model using Python • Applied Linear Regression and Random Forest algorithms • Performed preprocessing, feature engineering, and model evaluation • Used Pandas, NumPy, Matplotlib, and Scikit-learn
------------	---

Technical Skills

Languages	Python, SQL
Libraries & Tools	Pandas, NumPy, Matplotlib, Seaborn, Scikit-learn
Concepts	Machine Learning, Data Analysis, EDA, Data Preprocessing
Platforms	Jupyter Notebook, Google Colab, GitHub, Excel, Tableau, Power BI

Additional Information

Languages	Marathi, English, Hindi
Interests	Data Science, Machine Learning, Quantitative Trading, Programming
